Discussion questions:

1 - Why is it important for us to know and understand that we are all one race? _____

2 - Today we live in a time of racial divide, and increasing hostility toward people with different physical traits than we have. What do you suppose our individual role is in helping defeat this issue in our region, and can you validate your answer with scripture? _____

3 - Over the past few weeks we have been discussing the process of forming a clear, Bible based, worldview. At this point, can you see the power a persons worldview has over their thinking, and their actions? From the standpoint of evangelism, how important is it that we, as Christians, not only understand our worldview, but have the ability to clearly defend it in a calm, clear, conversation? _____

4 - What do you need to from this point to develop your own abilities in this area, and who will join you on this journey? _____
