

Transformation Pt 19 - Gods People - The People of God

In way of a quick review

- Up to this point the bulk of the book of Romans focuses on the person, and deity, of Christ - Our need for a savior - and the process of salvation.
- In Chapters 9-11 Paul spends some time lamenting Israels rejection of Christ as Messiah - and his hope for their salvation
- And his desire to reach as many of his people as he can with the Gospel message.
- As we come to the end of this diversion Paul deals with two topics that I think are very important to the church as a whole, and very relevant to where we are in history
 - 1 - Why did God turn away from Israel?
 - 2 - Has the church replaced Israel as Gods chosen people?
