1 - Moving past the Genealogies... for now

Genesis 5:26-32

Before we look at the text: one of the points of contention with the Biblical account is the amount of time the Bible claims people lived in the Pre-flood world. How in the world could someone have lived for almost 1000 years when today we are lucky to get to 100. _____

A - Here are a couple interesting bits

Noah's Grandfather and Father were alive at the same time as Adam and Eve. _____

The book of Jasher talks about two short lived revivals among the people before God brought the flood waters. "*And Cainan reigned over the whole earth, and he turned some of the sons of men to the service of God*" (Jasher 2:14) _____

It also talks about some of the things being done during that time that brought about the judgment of God. "*For in those days the sons of men began to trespass against God, and to transgress the commandments which He had commanded to Adam, to be fruitful and multiply in the earth. And some of the sons of men caused their wives to drink a draught that would render them barren, in order that they might retain their figures and whereby their beautiful appearance might not fade.*" (Jasher 2:19-20) _____

2 - The Corruption of Mankind

A - Genesis 6:1-4

B - Mankind was practicing sexual immorality to a degree that was so un-natural that it angered God enough to put it in His word as a warning to the rest of humanity...

If it does nothing else, it should make you stop and think about our nation.

Isaiah 5:20-23

2 Timothy 3:1-9
